CHOCOLOPOLIS

Lauren Adler may have the tastiest gig in town; she curates fine artisan chocolates from around the globe and masterminds tasting tours and parties for a few or a crew. You'll think you have a pretty delicious gig yourself when you warm up with a mug of red-chili-

flecked hot chocolate while you're there. **Who gets it** Do you know anyone who wouldn't like a hand-picked box of gemlike nouveau-haute *chocolats*? **Chocolopolis**, 1527 Queen Anne Ave N, Queen Anne, 206-282-0776; www.chocolopolis.com

Gems from Chocolopolis.
